FAIR BIZ AT A GLANCE

UNDP, in cooperation with the UK government, aims to promote fair, transparent and predictable business environments in dynamic ASEAN countries by working with governments, civil society and the business sector.

The project strives to foster a level playing field for business competition where:

- A culture of transparency and integrity in the public and private sectors is nurtured.
- Responsible and sustainable business practices are encouraged.
- Corruption risks are minimized and the application of justice is fair.

A FAIR BUSINESS ENVIRONMENT CAN CATALYZE:

- Decent work and inclusive growth
- Innovative and sustainable business practices
- Quality infrastructure and public services
- Increased Foreign Direct Investment with sustainable impacts
- More equitable distribution of opportunities, especially among women and youth
- And progress towards the SDGs, in particular:
**FAIR BIZ’S FOUR PILLARS**

1. **Working Together Across ASEAN**
   - Fostering partnerships between the public and private sectors, as well as civil society at the regional level, to implement and monitor integrity policies in ASEAN.
   - Regional Dialogue
   - Knowledge Sharing

2. **Improving Procurement Transparency**
   - Supporting government’s efforts in building transparent and accountable public procurement systems, ensuring compliance with international standards.
   - Citizen Monitoring
   - Risk Assessments

3. **Encouraging Responsible Business Practices**
   - Promoting business integrity and good corporate governance in the business sector through innovative and multi-stakeholder solutions for sustainable development.
   - Seed-Funding for Innovative Initiatives
   - Collective Action

4. **Making it Easier to Do Fair Business**
   - Strengthening anti-corruption laws, policies and strategies; improving redress mechanisms for businesses and the broader public by promoting court excellence.
   - Technical Assistance
   - Integrity Initiatives

**WHY IN ASEAN?**

- **ASEAN is one of the largest economies in the world**
  - With a combined Gross Domestic Product of US$2.9 trillion, ASEAN is the sixth largest economy worldwide.
