Number of Immigrants, via *A Nation of Immigrants* by John F. Kennedy and Pew Research Center
We cannot improve the **politics** of immigration until we improve the **culture** through which immigrants are seen.
“If you had to guess how strongly a place supported Donald J. Trump in the election, would you rather know how popular ‘Duck Dynasty’ is there, or how George W. Bush did there in 2000? It turns out the relationship with the TV show is stronger.”
